

Autumn

Autumn is here in all its glory and we are filling our archives with all the new summer images from our photographers. Among other things you can see Björn Keller's equestrian sport on Fårö, fashion by Jörgen Brennicke, Frederik Lieberath's contemplative archipelago landscape, Bruno Ehre's travel photos from Asia and Italy, Anti Wendel's colourful family images and neoclassical portraits of The Swedish Minister of Foreign Affairs Carl Bildt by Lars Tunbjörk (image).

News:

On November 6 and 7 Link Image will be collaborating with Centrum för Fotografi (CFF) in Stockholm in a portfolio review for professional photographers.

Link Image is arranging one of the days, which focuses on advertising photography. On November 7, photographers are welcome to CFF to meet people from the fashion and advertising sectors. Each photographer will have a personal 20-minute meeting and have the opportunity to show their portfolio to five different jury members during the day. The jury will include, among others, Frank Schmitz from German GoSee/Booklet magazine, Fredrik Peterhof at MD70 in New York and Erik Torstensson from London-based advertising agency Saturday.
