

Louise Enhörning

Say young Swedish fashion, newest design, Nordic light, European feeling, photography, and we say Louise Enhörning!

Like a warm summer's day in February, Louise's images will supplement our archive with something we didn't know we were yearning for until we finally found ourselves right in the middle of it.

Intensely fashion-conscious, and with the narrative as the centre point in all her images, Louise is the natural choice when new and interesting fashion is calling out for an experienced but impish partner.

In her long list of commercial assignments we find names like Tiger, Rodebjer, Burfitt and Björn Borg.

Recently, Louise Enhörning has found time to join forces with leading magazines such as Dazed & Confused, Teen Vogue, Another Magazine, Ryuko Tsushin, Glamour and Vice Magazine.

She currently has an exhibition in Paris and a fanzine together with Lovisa Burfitt, *Friends of Burfitt*. Louise Enhörning lives and works in Stockholm and Paris.

You will find her images under Photographers at www.linkimage.com.
